BIO

KADEAMAH is a hip-hop artist raised in the South Bronx and now building out of Miami. Fans first knew him as Bagchasing Biggs, the name behind "Spinning" (128K views), "Long Days" (88K) and "Ransom" (54K), with a freestyle featured on New York's On The Radar Radio.

His album *Built By God* marked a turning point: faith first, music with a purpose. Spread love, spread peace, spread the culture.

Now, with a new name, he's bringing a new sound. *What's Love* is his first project as KADEAMAH, rolling out with two music videos in December 2026.

"LET'S DO WHAT WE WAS SENT HERE TO DO."
